Table Notes: These clips come from household #1007. Clips are grouped in numerical order by camera number (1-8) and in chronological order under each camera number. Filenames begin with the camera number; in this example, recordings were made by cameras no. 1 and no. 2. The remainder of the filename refers to the year, month, day, and time (hours, minutes, and seconds, in military time) when the recording began. The first filename circled in red is the last clip recorded by camera no. 1, and the second is the first clip recorded by camera no. 2. The column heading “Date modified” refers to the date that each clip was converted to .mp4 format.
